

**Need tickets printed for your next event? For venues or promoters without in-house ticketing systems or for one time events, let Vtix print your tickets for you.**

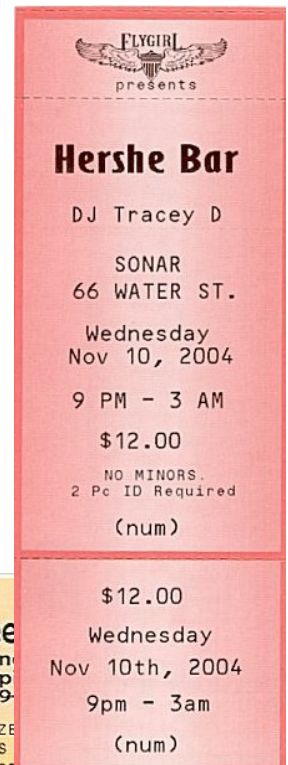

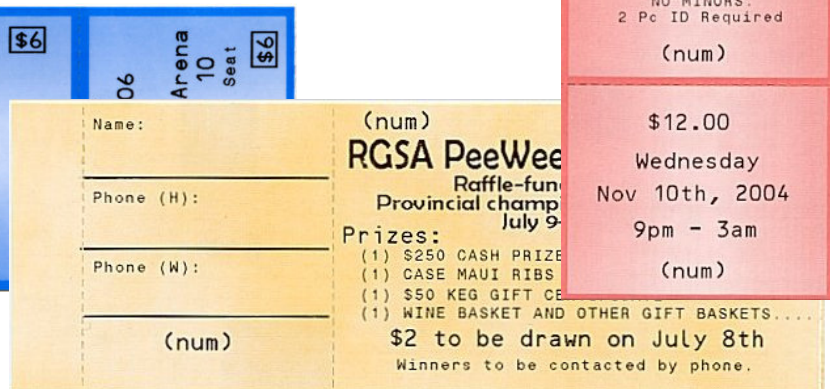

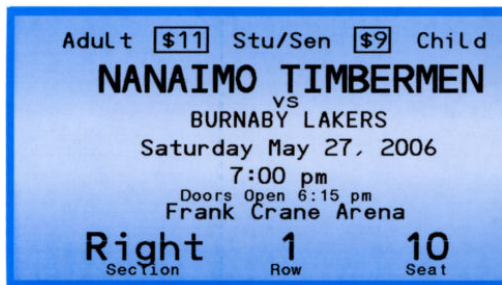

⇒ **Custom Pre-Printed Event Tickets by **

**Our ticket printing service is fast, professional and reasonable**

Vtix prints on demand, thousands of custom tickets each year from general and reserved seating events to passes and raffles. Our service and prices are unbeatable! Most tickets jobs can be created, proofed and printed within 24 hours.

To print professional quality tickets, we use high-speed dedicated, direct thermal printers. Choose from a selection of eight different border and background colours including red, blue, green, purple, gold, silver, yellow and orange.

They are easy to order. Just complete the online form from our web site at [www.vtix.com](http://www.vtix.com) or download the order form and fax it back to 1-604-241-7727. We will email you an actual colour proof or fax back a black and white image within hours of your submission. Once you give us your approval, your order will be printed and prepared for pickup or delivery.
