

Need Badges or Passes printed for your next convention, trade show or seminar? For venues or event coordinators without in-house printing capabilities, let Vtix print your Badges or Passes for you.

⇒ **Custom Pre-Printed Badges/Passes by Vtix**

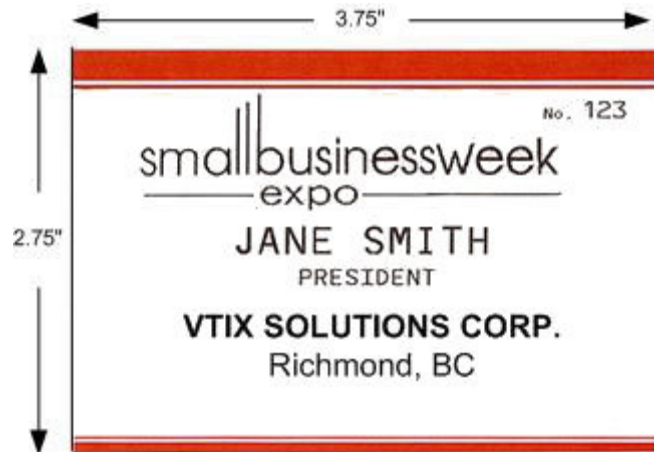

Our printing service is fast, professional and reasonable

Vtix prints on demand, thousands of custom Badges and/or Passes each year for all types of events from trade shows, conventions, seminars and other functions that require visible identification. Our service and prices are unbeatable! Most jobs can be created, proofed and printed within 24 hours.

To print professional quality Badges and Passes, we use high-speed dedicated, direct thermal printers. Choose from a selection of three different border colours including red, blue, and green.

They are easy to order. Just complete the online form from our web site at www.vtix.com or download the order form and fax it back to 1-604-241-7727. We will email you an actual colour proof or fax back a black and white image within hours of your submission. Once you give us your approval, your order will be printed and prepared for pickup or delivery. If you want each Badge or Pass to include individual attendee information like name, title, company and address, email us your spreadsheet in either .csv, .txt or Excel formats.

- Horizontal or Vertical Layouts
- Actual Ticket dimensions are 2.75" x 3.75"
- Add barcodes, graphics, special fonts
