

**Need wristbands printed for your next event? If you want to identify your patrons with a wristband that contains customized information, let Vtix print your wristbands for you.**

⇒ **Multi-Use Custom Pre-Printed Wristbands**

**Our wristband printing service is fast, professional and reasonable**

Vtix prints on demand, thousands of pre-printed wristbands each year for a variety of events and occasions. Our service and prices are unbeatable! Most pre-printed wristband jobs can be created, proofed and printed within 24 hours.

Wristbands have a variety of uses; including crowd management, special privileges, catering, age verification, height restrictions, group identification, or any application where a visual means of identification is needed.

- Choose from a selection of six different background flood colours including blue, green, orange, purple, red and yellow.
- Security Feature; the word 'VALID' appears in white but has a UV background that can only be detected with a Black Light
- Tear resistant direct thermal synthetic material
- Actual Ticket dimensions are 1" x 11"
- Add barcodes, graphics or special fonts
- Sequential numbering starting at any number
- Attached to the wrist using a super strong adhesive that is tamper-resistant
- Recommended for single-day use only

To order, just create an online account by clicking on the 'We Print Order Desk' icon at our web site at [www.vtix.com](http://www.vtix.com). Tell us what you want printed on the wristband by completing the 'Wristband Order Form' once you log in to your account. We will send an actual colour proof to your account within 4 business hours of your submission. Once you give us your approval, your order will be printed and prepared for pickup or delivery.

Ordering wristbands for your next event has never been so easy.
